URBAN PLANNING 2

Assumptions:

work&education

Offices

Filia Uniwersytetu Przyrodniczego

Research/Consulting

Workshops

Kindergarten

Primary school

Gardening

Offices

Summer houses of unified design

Excursions

Pavilions for recreation and season festival's markets

Culture

Cinema production

Student's culture club

Cinema centrum

Resedential

existing buildings

Multifamily houses with porches, services and parking on ground floor

"pectinated" layout creates closed yards spaces

Recreation

In theme parks people spending more time, making more purchases, using attractions

URBAN PLANNING 2

Legend

- Grass
- Park greenery
- Water
- Road
- Path
- Bicycle path
- Existent buildings
- Designed buildings

Active recreation areas

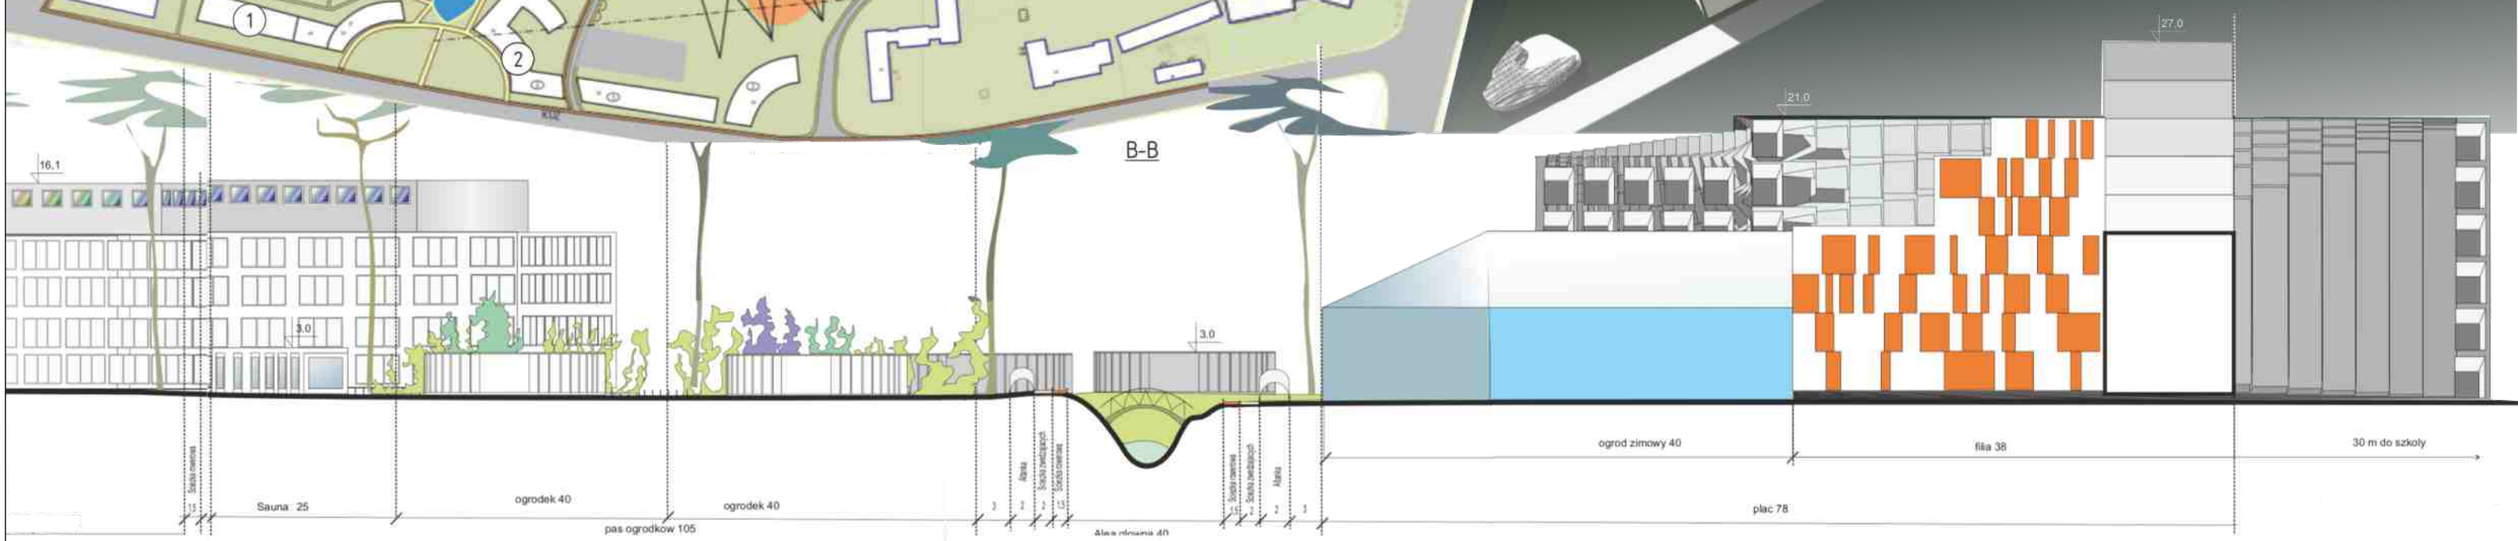

Meeting places

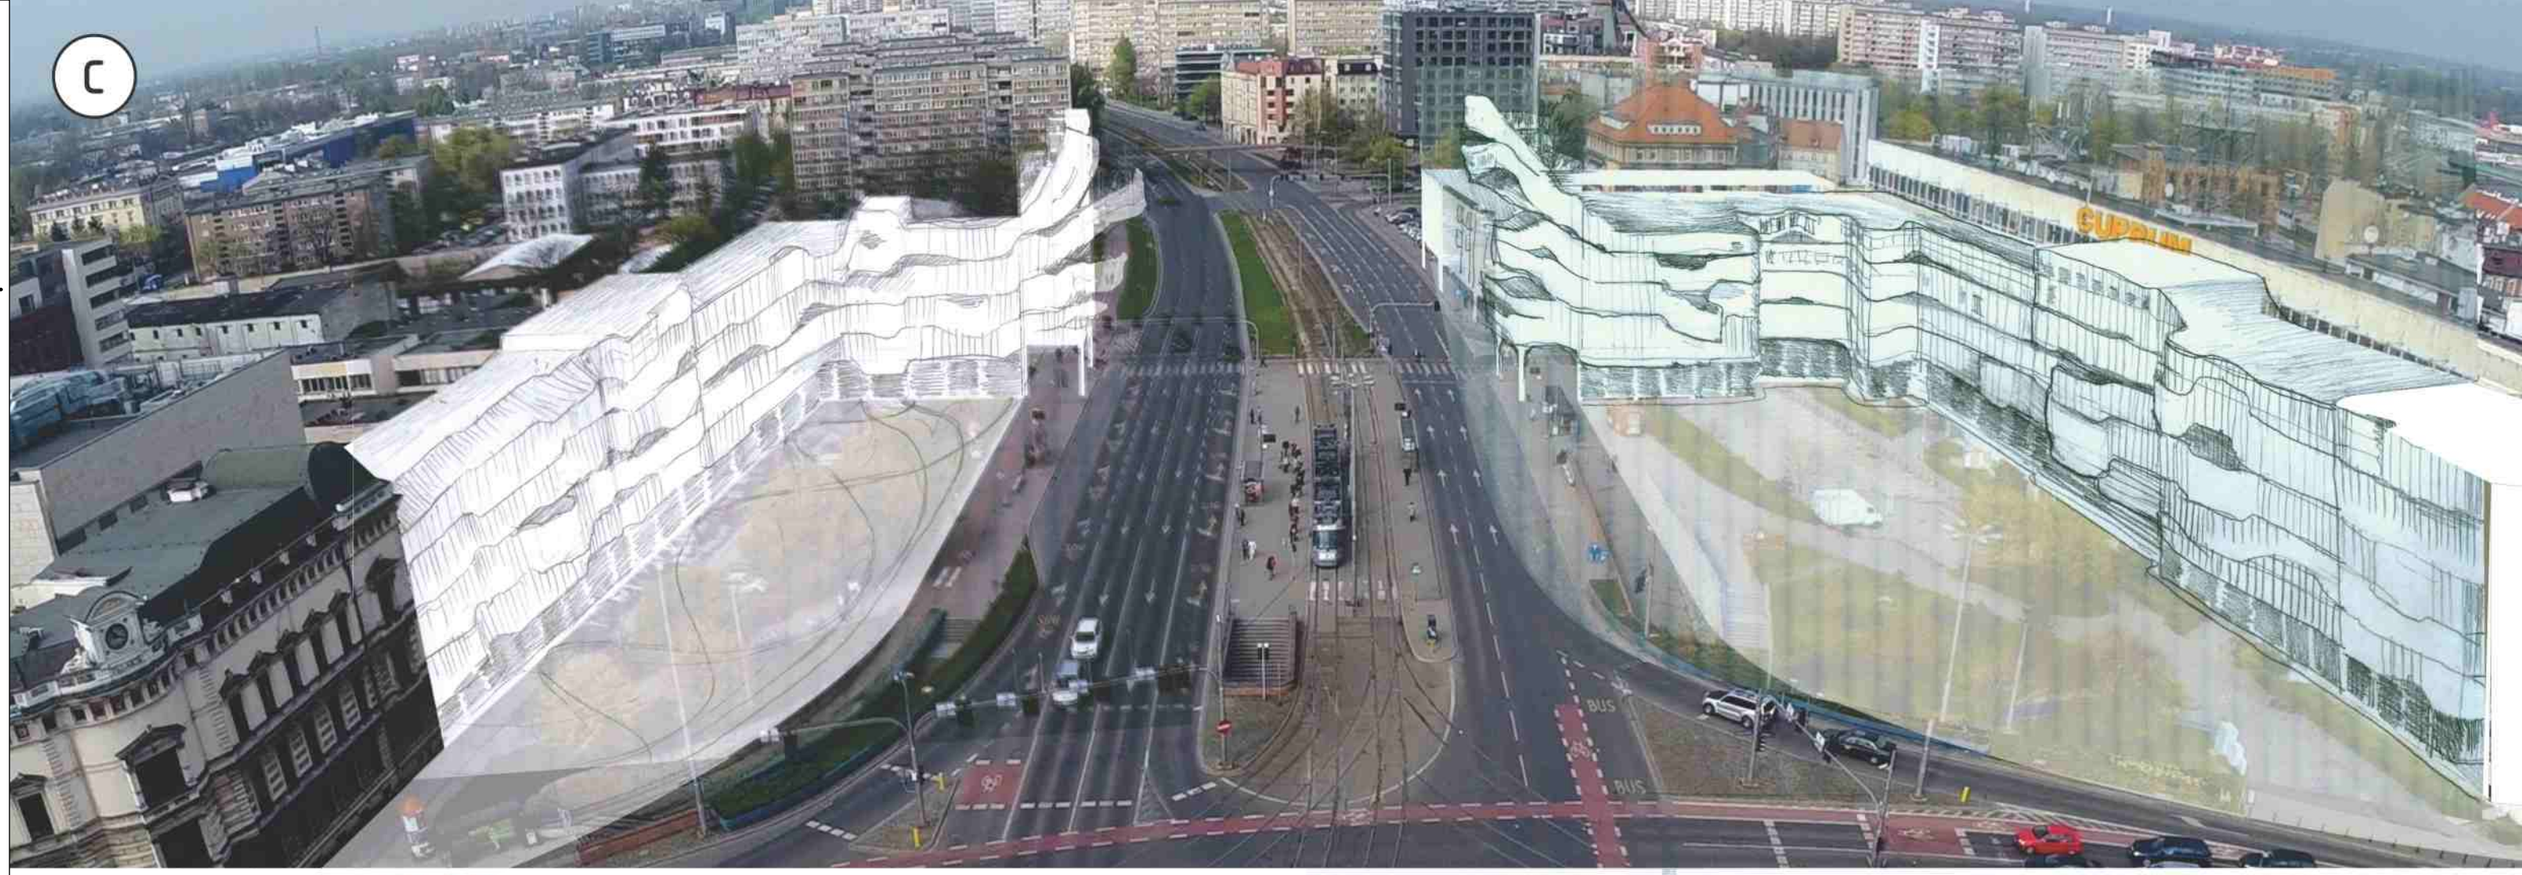

1. Offices
2. Cinema studio
3. Kindergarten
4. Filial of Agrarian Unversity
5. Primary School
6. Rental residential blocks
7. Student's culture house
8. Pavilions
9. Summer houses
10. Library
11. Postoffice/bank
12. Żłobek
13. Dormitory
